

REMARKS

The Applicants have cancelled claims 1-50 and added new Claims 51-60.

I would like to extend my appreciation to the Examiner for her participation in an interview on 12 August 2005. During that interview, the Examiner and I discussed Claim 51 and a previous version of Claim 52. The Examiner suggested additional language for Claim 52 (which has been incorporated) and indicated that Claim 52 would most likely be allowable. The Applicants would also like to extend their appreciation to the Examiner.

CONCLUSION

In view of the preceding amendments and remarks, the Applicants respectfully submit that the specification is in order and that all of the claims are now in condition for allowance. If the Examiner believes that telephone contact would be advantageous to the disposition of this case, the Applicants respectfully request that the Examiner contacts their Attorney.

Respectfully submitted,

Date: 15 August 2005
